2009 Christmas Party

Forty-eight members came to the annual Christmas party. There was no “program” of entertainment to interrupt the conversation and visiting, but muted Christmas Carols playing softly in the background and photos of our 2009 events projected on a screen. We did, however, ask SLCFD Fire Chief Kurt Cook, who came as our guest, to say a few words.

The silent auction succeeded beyond expectations. It added mobility to the crowd and energy to the evening. Bidders had a chance to

chat with others besides the people sitting right next to them as they migrated between the dinner tables and the display tables. Many of

the items, especially the brand new pieces donated by the Salt Lake City FD Union Uniform Store, created their own buzz as bidders competed to write in that final highest bid.

The entire \$769.00 auction proceeds were presented to Mr. Mike Babcock of Shriners Childrens Hospital for their durable medical equipment fund. Grizzled retired firefighters were seen shamelessly misting up as Mr. Babcock illustrated the importance of our donation with moving stories about some of the children whose lives had been enriched by wheelchairs and other equipment provided by this fund.

Salt Lake Firefighter's Relief Association provided the poinsettia centerpieces again this year. Our members got to take the poinsettias home at the end of the evening.

As always, the real good times came from the holiday spirit and friendships forged in shared work and tempered by the decades.
